### Additional information

- This lawsuit seeks to pursue the misclassification, overtime pay, and related claims of IT workers employed by Qualcomm at any point during the relevant time period who were classified as exempt from applicable overtime pay laws, and who worked overtime (hours over 40 in a week) but were not properly paid for all overtime hours worked.
- It is illegal for any employer to retaliate against an individual for exercising his or her rights (such as by participating in this lawsuit, signing or submitting this document, or talking to attorneys about his or her rights to full compensation for work performed).
